## The Remi Group Launches New Website

The Remi Group, LLC an equipment maintenance management program administrator launches upgraded website: [www.theremigroup.com](http://www.theremigroup.com).

The new website provides easier access for current and potential clients, along with other interested parties, by breaking down information into the five prevalent industries serviced by The Remi Group. The website provides valuable information about the program to business managers in the [Healthcare](#), [Finance](#), [Government](#), [Education](#), and Commercial industries.

The intent of the new website is to bring clarity and ease of use to customers who search the website to learn more about The Remi Group’s services. “We have worked hard to incorporate many of the comments and feedback that we have received over the years from our users,” said Dan Schuster, Founder & CEO of The Remi Group. “Our goal was to make the site more user-friendly and organize information in a more available and clear manner.”

**THE NEW WEBSITE
